- Language service providers and publishers

15-17 April  
2021

[www.virtual-round-table.com](http://www.virtual-round-table.com)

# Target group: English teachers

## worldwide

The VIRTUAL ROUND TABLE web conference is a **web conference dedicated to language learning technologies**. It is aimed at educators and language teaching professionals in language schools, institutes or other language related organisations.

It is held **entirely online** using virtual classroom technology and virtual world such as Second Life and provides a superb opportunity to profile one's company as being truly 'state-of-the-art' in understanding and promoting Internet-based learning.

Many appreciative comments from past conferences testify that the conference demonstrates well our efforts to provide **"innovative, inspiring and sociable teacher training"** for language teaching professionals around the globe.

The Virtual Round table has been sponsored by Heike Philp, CEO of let's talk online sprl.

The previous VIRTUAL ROUND TABLE WebConferences saw a total of **500+ presenters** offering **hundreds of sessions** to **6000+ unique visitors** and more than **2600 signed up** on the conference website. These were from the following fields :

- Language teaching professionals
- Directors of Studies
- Teacher training organisations
- Programme Managers and Education Administrators
- Technology and Service Providers
- Training Consultants and Company Representatives
- Deans, Directors and Researchers from Universities and the Higher Education Sector

**The VIRTUAL ROUND TABLE Web Conference is unique because ...** it is a free **web conference** for language teaching professionals it takes place in a **virtual classroom solution** without installation, log-in nor any registration required it is solely dedicated to **language teaching and learning with technology**. **ALL of the sessions** are being **recorded**.

## Virtual Expo in 2020

## Testimonials

🎧 "The recent Virtual Round Table conference resulted in a powerful exchange of ideas among accomplished peers that belied its comfortable, intimate ambience. The events were carried off flawlessly using video conferencing, and the recordings make a substantial contribution to the burgeoning multiliterature on the field of language learning through technology. The organizers are to be thanked and congratulated." *Vance, UAE*

🎧 I've spoken at many conferences and conducted workshops in the „real world“, but the best response I've had is still from Virtual Roundtable. Let's do it again! – *Mauricio, Australia*

🎧 To join such a conference, from the comfort of home, at times which suited me, was a delight. I made contact with others around the world who had interesting opinions and were happy to share them. I would love to take part in another virtual conference. – *Sue, USA*
